The one and only Phuket International Soccer 7s will celebrate its 4th anniversary this year.

This tournament has developed into one of the largest sevens tournaments in Asia and we expect that the response will be such that we will again need to run two tournaments.

With both open and veterans categories, there is something for everyone.

What are you waiting for? Come and experience for yourself the excitement and buzz of the most popular and memorable event on the soccer social calendar.

You can register your team now!
